- In the event of inclement weather on an exam day, our schedule will continue in sequence on the subsequent day (i.e., that day's exam will be held the next day and all other exams will be moved back one day). For example: if Thursday is a snow day, the exams from that day will move to Friday; Friday's exams move to Monday; etc.)
- Attendance is mandatory for all exams; a medical note must be provided for any missed exams. Please contact 613-932-8360 if your child is unable to attend their required exam.
- Students are required to write their exams for at least one hour. Upon dismissal, they must leave the exam hallways quickly and quietly as others continue to write.
- The Learning Commons or cafeteria will be open and supervised for students during the exam period (as per the schedule above).
- If leaving the school after writing an exam, students are to sign out at the office, and have parent permission to do so (following the same expectations as a regular school day)
